### RECIPE | RESURRECTION ROLLS

from Randall House Publications Feb 28- March 6 "Splink" email.

#### Ingredients:

- 8 large marshmallows
- 1/4 cup melted butter
- sugar/cinnamon mixture (approximately 2 tablespoons cinnamon to 2 tablespoons sugar)
- 1 10 ounce can of crescent rolls

#### Steps:

1. Open can of crescent rolls and separate into triangles. The rolls represent the linen cloths used in covering the dead.
2. Dip and roll one marshmallow (representing the body) into melted butter. The butter represents the oils used in anointing the dead body.
3. In a small bowl, mix the cinnamon and sugar together. Roll the marshmallow in the mixture. The mixture represents the spices used in burials.
4. Place the marshmallow in the center of the crescent triangle and carefully fold the dough around the marshmallow. (Pinch the edges tightly to seal in the marshmallow as it melts.) Put each crescent-wrapped marshmallow on a slightly greased cookie sheet or in a greased cupcake pan.
5. Bake the rolls in a 350° preheated oven for about 10-15 minutes or until they are golden brown. The oven represents the tomb.
6. Let them cool. When you bite into them, you can see that the inside is empty!"
